

Dresden, 1st August 2017

GoINPHARMA GmbH, the Germany-based company that provides news, information and analysis to pharma professionals, and **Jooble Corporation**, the multinational company that helps professionals to find the job they look for, have signed a partnership agreement aimed at combining the long reach in the pharma sector and the leading search engine for jobs at international level.

With the agreement, the two companies want provide professionals with further opportunities to access the job market and to help them stay up-to-date with Pharma and Healthcare industry.

"Through this agreement, the two companies are strengthening the fundamental idea that job search and knowledge of the industry are strongly related" says Dr. Andreas Rückemann, CEO of GoINPHARMA GmbH. "Nowadays, a manager that looks at the job market has to know what is happening and how dynamics are changing. Goinpharma is the resource to increase competitiveness, in an increasingly global and rapidly changing professional environment".
